 499-2

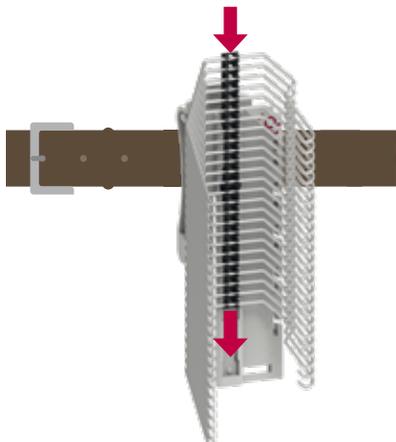

Sidelock clip
 499-2 for Clip **FOS** HOLSTER

ClipHOLSTER:

1. Attach the holster onto your belt, the red protective cover is not required.

2. Insert the plastic strip with the collated clips. Once the strip is empty, swap it out: Reloading is easy!

Enquiries:

In which versions is the 499-2 available?

Available in stainless steel and ZIAL®, for all current batten dimensions and many common roof tiles, in various lengths as well as with round and angular eye. The allocation of clip to roof tile is done via the FOS ClipCHECK on www.fos.de.

Conclusion:

Use the head-sidelock clip 499-2 to benefit from:

- ✓ Magazine storage on plastic strips
- ✓ Installation time is reduced by up to 25 %
- ✓ Easy handling
- ✓ Tool-free installation
- ✓ Low risk of injury
- ✓ Durability

Sidelock clip 499-2

New magazine storage

The 499-2 clips are delivered on plastic magazine strips. Every strip holds 25 clips and is suitable for the mobile FOS ClipHOLSTER®. The magazine clip storage enables swift individual clip removal.

Reduction of installation time by up to 25 %

On the roof, the new magazine storage simplifies installation of the clips, the proximity of the holster handle makes the process considerably quicker. In practice tests, up to 25 % time savings were achieved during mounting of the 499-2 together with the ClipHOLSTER. Empty magazine strips can be replaced quickly and conveniently.

Durable FOS Quality

Stainless steel BS 304 S 15 or BS 301 S 22 or ZIAL® (zinc aluminium) coated surfaces guarantee long durability of the clip. The 499-2 is registered with industrial design GM.

Application

Due to its two notches, the 499-2 sidelock clip can be used for 30 x 50 batten and 40 x 60 batten.
